Mr. Welch,

We are in receipt of the petitions for Uniti National, LLC (20-00118) and Unity Dark Fiber, LLC (20-00119) to provide competing local exchange telecommunications services in Tennessee. As of today, we have not received a surety bond or letter of credit for either company. A bond or letter of credit is required pursuant to §65-4-125(j). Our form for each of these instruments can be found on our website at [tn.gov/tpuc](http://tn.gov/tpuc) under FORMS.

Additionally, although the application(s) for authority with the Tennessee Secretary of State and/or acknowledgment of receipt from the Secretary of State were included in the petitions, the actual documents granting authority to transact business in Tennessee were not included with either submission. You can request certificates of authority on the Tennessee Secretary of State's website at [tn.gov/sos](http://tn.gov/sos) under BUSINESS SERVICES.

Let me know if you have additional questions.

Thanks

Lisa Foust
