Lisa – our headquarters team has confirmed that Cathect Communications, Inc. does not purchase any resold services from AT&T in Tennessee. There are no wholesale agreements with Cathect in TN.

Thanks

Good Afternoon Ms. Sager,

We have received a request from Cathect Communications, Inc. to cancel their CLEC authority. Can you advise as to whether BellSouth d/b/a AT&T TN is providing any resold for facilities based services to Cathect Communication, Inc.?

Thanks in advance for your assistance.
