**ORDER GRANTING THE PETITION TO INTERVENE FILED BY  
CONSUMER ADVOCATE**

---

This matter is before the Hearing Officer of the Tennessee Public Utility Commission (“Commission” or “TPUC”) to consider the *Petition to Intervene* filed by the Consumer Advocate Unit in the Financial Division of the Office of the Attorney General (“Consumer Advocate”) on February 24, 2021.

**RELEVANT BACKGROUND**

Tennessee-American Water Company (“TAWC”) is a public utility providing residential, commercial, industrial and municipal water service to approximately 80,000 customers in Chattanooga and the surrounding areas in Tennessee. Consistent with the action of the Commission in TPUC Docket No. 13-00130, TAWC filed a *Petition* regarding its Production Costs and Other Pass-Throughs *Rider* (“PCOP”) on January 15, 2021.

**CONSUMER ADVOCATE’S *PETITION TO INTERVENE***

On February 24, 2021, the Consumer Advocate filed a *Petition to Intervene* seeking to intervene in the docket pursuant to Tenn. Code Ann. § 65-4-118, which qualifies the Consumer

Advocate to represent the interests of Tennessee consumers of public utility services in proceedings before the Commission. The Consumer Advocate asserts that the interests of consumers may be affected by determinations and orders made by the Commission with regard to the PCOP percentage and the methodology for calculating the PCOP percentage rate.<sup>1</sup> As such, it seeks to intervene in these proceedings to represent the interests of Tennessee consumers. TAWC does not oppose the Consumer Advocate's intervention in these proceedings.

## **FINDINGS & CONCLUSIONS**

Tenn. Code Ann. § 4-5-310 establishes the following criteria for granting petitions to intervene:

- (a) The administrative judge or hearing officer shall grant one (1) or more petitions for intervention if:
  - (1) The petition is submitted in writing to the administrative judge or hearing officer, with copies mailed to all parties named in the notice of the hearing, at least seven (7) days before the hearing;
  - (2) The petition states facts demonstrating that the petitioner's legal rights, duties, privileges, immunities or other legal interest may be determined in the proceeding or that the petitioner qualifies as an intervenor under any provision of law; and
  - (3) The administrative judge or hearing officer determines that the interests of justice and the orderly and prompt conduct of the proceedings shall not be impaired by allowing the intervention.
- (b) The agency may grant one (1) or more petitions for intervention at any time, upon determining that the intervention sought is in the interests of justice and shall not impair the orderly and prompt conduct of the proceedings.<sup>2</sup>

Commission, Tenn. Code Ann. § 65-4-118(b)(1) provides a general basis for the qualification of the Consumer Advocate to be permitted to intervene as a party to represent the interests of Tennessee public utility consumers. It provides as follows:

The consumer advocate division has the duty and authority to represent the interests of Tennessee consumers of public utilities services. The division may, with the approval of the attorney general and reporter, participate or intervene as a party in any matter or proceeding before the authority or any other administrative, legislative or judicial body and initiate such proceeding, in accordance with the Uniform Administrative Procedures Act, compiled in title 4, chapter 5, and the rules of the authority.<sup>3</sup>

In the instant proceeding, TAWC seeks approval of the calculation of its PCOP percentage rate and seeks to implement certain changes to the PCOP methodology. Therefore, as TAWC's calculations will directly impact the rates and charges paid by its customers, the Hearing Officer finds that there is a sufficient factual basis to find that legal rights or interests held by those consumers may be determined in this proceeding.

Upon due consideration, the Hearing Officer concludes that the legal rights, duties, privileges, immunities or other legal interest of TAWC's customers may be determined in this proceeding. Further, the Hearing Officer finds that the Consumer Advocate qualifies under law as an intervenor for the purpose of representing those consumer interests, there is no objection to its intervention, and its *Petition to Intervene* was timely-filed and should not impair the interests of justice or the orderly and prompt conduct of the proceedings. For these reasons, the Hearing Officer concludes that the Consumer Advocate's *Petition to Intervene* should be granted.
