Re: *Approval of the Amendment to the Interconnection Agreement Negotiated by AT&T Tennessee and American Messaging Services, LLC ("CMRS Provider")*
Docket No. 21-00020

Dear Chairman Jones:

Enclosed for filing in the referenced docket is the original *Petition for Approval of the Amendment to the Interconnection Agreement Negotiated by AT&T Tennessee and CMRS Provider*. As required, included with this filing is the \$50 filing fee made payable to the Tennessee Public Utility Commission.

In accordance with Section 252(e) of the Telecommunications Act of 1996, the Tennessee Public Utility Commission is charged with approving or rejecting the negotiated Amendment between AT&T Tennessee and CMRS Provider within 90 days of its submission. CMRS Provider and AT&T Tennessee aver that the Amendment is consistent with the standards for approval.

This Amendment adds terms and conditions related to a Partner Delivery Service Arrangement, Insurance, Subcontractors, and revises Notices.

**AMENDMENT TO THE AGREEMENT
BETWEEN
AMERICAN MESSAGING SERVICES, LLC
AND
AT&T**

This Amendment (the “Amendment”) amends the Agreement(s) by and between AT&T and Carrier as shown in the attached Exhibit A.

WHEREAS, AT&T and Carrier are Parties to the Agreement(s) as shown in the attached Exhibit A,

NOW, THEREFORE, in consideration of the promises and mutual agreements set forth herein, the Parties agree to amend the Agreement as follows:

1. This Amendment is composed of the foregoing recitals, the terms and conditions, contained within, all of which are hereby incorporated in this Amendment by this reference and constitute a part of this Amendment.
2. The Parties hereby agree to add the following “Partner Deliver Service Arrangement” terms to the Section entitled “Interconnection” in the Agreement:
 - 3.1 Partner Delivery Service Arrangements for One-Way Traffic from AT&T to Carrier
 - 3.1.1 Notwithstanding any language in this Agreement regarding Interconnection to the contrary, Carrier may subcontract its Interconnection obligations for receipt of traffic from AT&T to a Third Party CLEC for Type 2 interconnection only (hereinafter referred to as “Partner Delivery Service Arrangements”) as follows:
 - 3.1.2 Carrier shall provide Notice in accordance with the Notice provisions of the General Terms and Conditions of this Agreement whenever it establishes or terminates a Partner Delivery Service Arrangement. AT&T shall have a reasonable transition time to establish or terminate a connection to a Third Party CLEC once Carrier provides Notice.
 - 3.1.3 Carrier retains its obligation to abide by all terms and conditions of this Agreement and is responsible for its subcontractor Third Party CLECs’ performance of Carrier’s obligations under this Agreement.
 - 3.1.4 Carrier must update the NPA-NXXs in the LERG for traffic it desires AT&T to terminate to Carrier’s Third Party CLEC. The POI in cases the where Carrier utilizes Partner Delivery Service Arrangements with AT&T shall be with the Third Party CLEC.
 - 3.1.5 Carrier acknowledges that AT&T will only transmit one-way traffic to Carrier through the Third Party CLEC in a Time Division Multiplexing (TDM) format compatible with AT&T’s network. For matters related to the jurisdiction of traffic, all traffic sent over Third Party CLEC interconnection trunks shall be treated as wireline traffic.
 - 3.1.6 The Parties agree that traffic sent to Carrier under this Section will be subject to bill and keep for purposes of intercarrier compensation. Under a bill and keep compensation arrangement, each Party retains the revenues it receives from its End Users and neither Party pays the other Party for the services provided.
 - 3.1.7 Neither Carrier nor AT&T intend to expose AT&T to any Third-Party charges based on Carrier’s election to implement a Partner Delivery Service Arrangement when AT&T sends traffic to Carrier via a Third-Party’s network. Should Third-Party impose any charge upon AT&T based on Carrier’s election to implement a Partner Delivery Service Arrangement, then Carrier shall be financially responsible for any such Third Party charges.

3. The Parties hereby agree to add the following Section entitled “Insurance” to the Agreement:

INS.0 Insurance

INS.1 At all times during the term of this Agreement, Carrier shall keep and maintain in force at its own expense the following minimum insurance coverage and limits and any additional insurance and/or bonds required by Applicable Law:

INS.1.1 With respect to Carrier’s performance under this Agreement, and in addition to Carrier’s obligation to indemnify, Carrier shall at its sole cost and expense:

INS.1.1.1 maintain the insurance coverage and limits required by this Section INS.0 and any additional insurance and/or bonds required by law:

INS.1.1.1.1 at all times during the term of this Agreement and until completion of all work associated with this Agreement is completed, whichever is later;

INS.1.1.1.2 with respect to any coverage maintained in a “claims-made” policy, for two (2) years following the term of this Agreement or completion of all work associated with this Agreement, whichever is later. If a “claims-made” policy is maintained, the retroactive date must precede the commencement of work under this Agreement;

INS.1.1.2 require each subcontractor who may perform work under this Agreement or enter upon the work site to maintain coverage, requirements, and limits at least as broad as those listed in this Section 13.0 from the time when the subcontractor begins work, throughout the term of the subcontractor’s work; and with respect to any coverage maintained on a “claims-made” policy, for two (2) years thereafter:

INS.1.1.3 procure the required insurance from an insurance company eligible to do business in the state or states where work will be performed and having and maintaining a Financial Strength Rating of “A-” or better and a Financial Size Category of “VII” or better, as rated in the A.M. Best Key Rating Guide for Property and Casualty Insurance Companies, except that, in the case of Workers’ Compensation insurance, Carrier may procure insurance from the state fund of the state where work is to be performed; and

INS.1.1.4 deliver to AT&T-21STATE certificates of insurance stating the types of insurance and policy limits upon written request by AT&T. Carrier, or its issuing insurance company, shall provide at least thirty (30) days advance written notice of cancellation, non-renewal, or reduction in coverage, terms, or limits to AT&T-21STATE. Upon AT&T’s request, Carrier shall deliver such certificates, and copy the AT&T Notices Manager herein:

INS.1.1.4.1 prior to implementation of this Agreement and prior to commencement of any work;

INS.1.1.4.2 prior to submitting any ASRs and/or any other service requests; and

INS.1.1.4.3 prior to expiration of any insurance policy required in this Section 13.0; and

INS.1.1.4.4 within thirty (30) days of AT&T-21STATE request; and

INS.1.1.4.5 for any coverage maintained on a “claims-made” policy, for two (2) years following the term of this Agreement or completion of all work associated with is Agreement, whichever is later.

INS.1.2 The Parties agree:

- INS.1.2.1 the failure of AT&T-21STATE to demand such certificate of insurance or failure of AT&T-21STATE to identify a deficiency will not be construed as a waiver of Carrier's obligation to maintain the insurance required under this Agreement;
- INS.1.2.2 that the insurance required under this Agreement does not represent that coverage and limits will necessarily be adequate to protect Carrier, nor be deemed as a limitation on Carrier's liability to AT&T-21STATE in this Agreement;
- INS.1.2.3 Carrier may meet the required insurance coverages and limits with any combination of primary and Umbrella/Excess liability insurance; and
- INS.1.2.4 Carrier is responsible for any deductible or self-insured retention.

 - INS.2.1.3 \$500,000 for Bodily Injury by disease – each employee.
 - INS.2.1.4 To the fullest extent allowable by Law, the policy must include a waiver of subrogation in favor of AT&T-21STATE, its Affiliates, and their directors, officers and employees.
- INS.2.2 In states where Workers' Compensation insurance is a monopolistic state-run system, Carrier shall add Stop Gap Employers Liability with limits not less than \$500,000 each accident or disease.
- INS.2.3 Commercial General Liability insurance written on Insurance Services Office (ISO) Form CG 00 01 12 04 or a substitute form providing equivalent coverage, covering liability arising from premises, operations, personal injury and liability assumed under an insured contract (including the tort liability of another assumed in a business contract) with limits of at least:
 - INS.2.3.1 \$2,000,000 General Aggregate limit; and
 - INS.2.3.2 \$1,000,000 each occurrence limit for all bodily injury or property damage incurred in any one (1) occurrence; and
 - INS.2.3.3 \$1,000,000 each occurrence limit for Personal Injury.
- INS.2.4 The **Commercial General Liability** insurance policy must include each Party, its Affiliates, and their directors, officers, and employees as Additional Insureds. Each Party shall provide a copy of the Additional Insured endorsement to the other Party. The Additional Insured endorsement may either be specific to each Party or may be "blanket" or "automatic" addressing any person or entity as required by contract. A copy of the Additional Insured endorsement must be provided within sixty (60) days of execution of this Agreement and within sixty (60) days of each **Commercial General Liability** policy renewal; include a waiver of subrogation in favor of each Party, its Affiliates, and their directors, officers and employees; and be primary and non-contributory with respect to any insurance or self-insurance that is maintained by each Party.
