Subject: Docket No. 21-00033 Johnson City Energy Authority dba BrightRidge
Date: Thursday, June 03, 2021 11:55:57 AM

Terri,

In following up on our conversation this morning regarding the application of Johnson City Energy Authority dba BrighRidge for CLEC authority, please provide the following items:

1. The original bond issued by Travelers. The bond provided with the application appears to be a copy. The bond should include the assumed name BrightRidge as well as a power of attorney for the surety agent.
2. Exhibit J of the application, dated March 10, 2021, indicates all ILECs in Tennessee were provided notice of this filing. Please provide a list of the ILECs who were notified of the filing.
3. A sworn verification for the pre-filed testimony of Stacy Evans in exhibit M of the application.

Once we receive these items, the application will be processed for a hearing date.

Thanks,

Lisa Foust
