Brett,

Yes our bond (and LOC) forms are on our website at www.tn.gov/TPUC under Forms on the main page. The word "Forms" is a link to all our forms, but it doesn't really look like a link. If you hover over the word forms and click it, you will see the bond form.

On the TN SOS website, under Business Services at the top of their page, there is an option to obtain a Certificate of Existence. I think the fee is \$20, and it generates the form immediately that you can download and print.

Let me know if you have problems with either of these items and I will be glad to assist. Thanks and I hope you have a safe and happy 4th of July weekend as well!

Hi Lisa,

We have been working on obtaining the Certificate of Existence and will submit as soon as we have it. For the bond or letter of credit, does the Commission have a form that it requires? If so, would you point me to where that is on the website or forward a copy.

Thank you for your assistance and have a happy and safe 4th of July weekend.

Regards,
Brett

Mr. Welch,

In order to complete the review and processing of the above application, please provide the following:

1. A surety bond or letter of credit in the amount of \$20,000 pursuant to TCA § 65-4-125(j). The application indicated the Company would provide a bond prior to beginning operations in Tennessee. However, a bond (or letter of credit) is required prior to the application being approved.
2. A certificate of existence from the Tennessee Secretary of State's Office. The application included a Filing Acknowledgment only. A certificate of existence can be obtained through the Tennessee Secretary of State's website at www.tn.gov.sos.

Once these items are received, this application will be processed. Please contact me if you have questions and I will be glad to assist you.

Thank You,

Lisa Foust
