Re: Tennessee Public Utility Commission, Docket No. 21-00055, *Application of Limestone Water Utility Operating Company, LLC for Authority to Sell or Transfer Title to the Assets, Property, and Real Estate of a Public Utility, Shiloh Falls Utilities, Inc., and for a Certificate of Public Convenience and Necessity.*

Dear Mr. Welch and Mr. Cosby:

This letter is to confirm the Consumer Advocate's receipt and review of Limestone Water Utility Operating Company, LLC's ("Limestone") Response of Limestone Water Utility Company, LLC, to the Consumer Advocate MFR Letter, filed on September 4, 2021.

Limestone's response letter does not address the Petition's compliance with the minimum filing requirements for a public utility's application for acquisition, as set forth in TPUC Rule 1220-04-14-.08. Furthermore, to date, it does not appear that Limestone filed documents to comply with the Commission's filing requirements for the proposed acquisition. Accordingly, the Consumer Advocate respectfully requests that Limestone comply with TPUC Rule 1220-04-14-.08 so that the Consumer Advocate may review and evaluate Limestone's corresponding documentation.

Thank you for Limestone's attention to the Consumer Advocate's request. If you have questions regarding this request, please contact me at (615) 741-2357.

Respectfully,

Rachel C. Bowen
