**Customer Notification Letter**

September 9, 2022

Dear Current Customer of Chapel Woods,

Limestone Water Utility Operating Company, LLC. (Limestone Water) and Chapel Woods Homeowner's Association (Chapel Woods) have filed a joint application with the Tennessee Public Utility Commission (TPUC) seeking Commission authorization for Chapel Woods to sell to Limestone Water its sewer system assets. Chapel Woods is currently serving approximately 142 connections in Marshall County.

If the proposal is approved by the TPUC, Limestone Water would be subject to the jurisdiction of the TPUC in the following service areas:

- Chapel Woods Homeowner's Association

Limestone Water proposes to adopt the existing rate structure for all Chapel Woods customers.

After completing the proposed acquisition of these service areas, Limestone Water plans to construct numerous improvements to the systems to address degradation due to age and environmental compliance issues.

Those wishing to comment should contact the TN Public Utility Commission at:

502 Deaderick Street
