MOTION TO APPEAR AND PARTICIPATE TELEPHONICALLY AT HEARING

The hearings in the above-captioned matters are set by the Commission for October 10, 2022 at 9:00 A.M. (CST) at the Hearing Room, Ground Floor, Andrew Jackson State Office Building, 502 Deaderick Street, Nashville, Tennessee.

Pursuant to Tenn. Code Ann. § 4-5-312(c), Petitioner submits this Motion to Appear and Participate Telephonically at Hearing and provides the following in support of this Motion:

Tenn. Code Ann. § 4-5-312(c) addresses electronic participation at a hearing as follows:

In the discretion of the administrative judge or hearing officer and agency members and by agreement of the parties, all or part of the hearing may be conducted by telephone, television or other electronic means, if each participant in the hearing has an opportunity to participate in, to hear, and if technically feasible, to see the entire proceedings while taking place.

In accord with the referenced statute, Petitioner hereby respectfully requests to participate in the hearings telephonically because personal attendance of company representatives, the witness Limestone Water Utility Operating Company LLC's President, Josiah Cox, who resides in St. Louis, Missouri, would be burdensome.

If this Motion is granted, Petitioner agrees that its telephonic appearance and participation in the hearing will be subject to the following conditions:

1. Petitioner is solely responsible for, and shall be required to, secure a properly licensed Notary Public in good standing in the State of the jurisdiction where the testimony is to be given, and who will physically appear with any company representative or witness who will be called at the Hearings to give live testimony or to ratify pre-filed testimony.

2. The Notary Public obtained by Petitioner shall be duly authorized to administer the Oath, and shall do so during the Hearings and remain physically present with the witness at all times during the witness' testimony until such witness is excused from examination by the Hearing Officer.

3. Following the conclusion of the Hearings, the Notary Public shall prepare and sign an Affidavit, affirming the proven identity of the witness, the fact that such person was sworn by the Notary Public, and that testimony given by the sworn witness was in accordance with the highest

ethical and legal standards as observed by the Notary Public. The Affidavit shall bear the official seal of the signing Notary Public, and the testifying witness shall also be required to sign a Witness Certification.

4. The Affidavit above must be post-marked within five (5) days of the Hearings and received by the Hearing Officer via postage-paid U.S. Mail or overnight delivery. Should a proper Affidavit containing the affirmations noted above fail to be produced to the Hearing Officer as set forth herein, the testimony of the witness shall be struck from the record, which may constitute grounds sufficient for denial of the Petition.

Wherefore, based on the foregoing, Limestone Water Utility Operating Company, respectfully requests that the Commission grant its Motion for Petitioner to Appear and Participate Telephonically at the Hearings as described herein.

Respectfully submitted this 30th day of September, 2022.
