***Re: Petition of Jackson Sustainability Cooperative to Determine if a Certificate of
Convenience and Necessity Is Needed
Docket No. 21-00061***

Dear Chairman Hilliard:

I am writing to advise you of an error in Tennessee Electric Cooperative Association's Response to Jackson Sustainability Cooperative's Motion to Dismiss with Prejudice, which was filed on August 21, 2023 ("Response"). After reviewing the transcript of the August 11, 2023 status conference, we discovered an error in footnote one of the Response, which describes the dates for the submission of briefs on the issue of attorneys' fees. According to the transcript, briefs from Jackson Energy Authority and Tennessee Electric Cooperative Association are due on September 1, 2023 (and not on August 31, 2023). Response briefs are due on September 8, 2023 (and not on September 7, 2023).

Should you have any questions concerning this information, please do not hesitate to contact me.

Sincerely,

Matthew J. Sinback
