RE: Application for State-issued Certificate of Franchise Authority (Docket No. 21-00079)

Dear Mr. Beard:

On July 8, 2021, the Tennessee Public Utility Commission ("TPUC") received your application on behalf of Aurora Cable TV Company d/b/a Benton County Cable System ("Benton County Cable") to issue a state-issued certificate of franchise authority pursuant to Tenn. Code Ann. § 7-59-301, *et seq.*, also known as the Competitive Cable and Video Services Act (the "CCVSA").

Upon review, it has been determined that the application complies with the statutory requirements of the CCVSA and is therefore complete. Further action will be taken on the application as delineated within the CCVSA and since your application included sufficient information concerning Benton County Cable's qualifications, you should soon receive your Company's Certificate. Should you have any questions or concerns in this matter, please contact me at (615) 770-6889 or the address listed above. Thank you for your interest and cooperation.

Sincerest Regards,
