Re: Notice of Filing Regarding Procedural Schedule

21-00086

Hearing Officer Smith-Ashford,

In this docket, the Party Staff of the Tennessee Public Utility Commission ("Commission") was directed to conduct a comprehensive examination of Superior Wastewater Systems, LLC's actions and compliance with the Commission's Rules and directed to file a Compliance Audit Report on its findings.¹ At this time, the Party Staff's audit is not complete.

The audit may be completed and a report filed in a matter of weeks or months. Party Staff respectfully submits that the setting of a procedural schedule in this docket should be postponed pending the completion of the Party Staff's investigation and the filing of a Compliance Audit Report as directed by the Commission.

Respectfully Submitted,
