RE: **NOTICE** of TPUC Receipt of Application for or Amendment to Certificate of Franchise Authority and  
**OFFICIAL REQUEST** for Information

Dear Mayor Taylor:

On June 21, 2022, Telepak Networks, Inc. ("Telepak") filed with the Tennessee Public Utility Commission ("Commission" or "Department") an amendment to its State-Issued Certificate of Franchise Authority to provide cable and/or broadband service in an area that includes portions of your county. By this time, you should have already received notice from Telepak of its intention to serve your area. You may access this and other related filings on the Commission's website at <http://www.tn.gov/tra/dockets/2100088.htm>. The Department is required to send this notice so that you may act to preserve your Public, Educational and Governmental ("PEG") channels and PEG access support payments under Tenn. Code Ann. § 7-59-309.<sup>1</sup>

If an incumbent cable TV provider currently serves your municipality,<sup>2</sup> and that provider's franchise requires that it provide PEG channels or access payments, then you may be able to receive the same number of PEG channels and equivalent support payments from Telepak. But, in order to claim these benefits, you must provide the Commission with information about the PEG channels negotiated under your incumbent provider's franchise *within ten (10) days* from the date you received notice from Telepak that it intended to provide cable or video service to your municipality, specifically:

- (1) The number of PEG channels that have been activated by the incumbent;
- (2) The number of PEG channels that are authorized to be activated under the incumbent franchise; and,
- (3) The amount of any fee or other payment for PEG access support required under the incumbent franchise.<sup>3</sup>

Please send the above information to:

If you have already forwarded this information to the TPUC upon receipt of the notice from the applicant or state-issued franchise service provider in accordance with Tenn. Code Ann. § 7-59-309(a), please disregard this request.
