***In re: Joint Request of Chattanooga Gas Company and Kordsa, Inc. for approval of  
Special Contract. Docket No. 21-00094.***

***Notice of Correction***

Dear Tory,

The purpose of this letter is to correct a reference to the evidentiary record. On February 18, 2022, Chattanooga Gas and Kordsa filed a "Motion to File a Pre-Hearing Brief" and attached to the Motion a copy of the Pre-Hearing Brief. On p. 4, the brief states that "the bids of the three contractors [and] the consultant's evaluation of the bids" are attached to Mr. Ben Gibson's rebuttal testimony. That reference to the record is incorrect. The three bids and the consultant's evaluation of the bids may be found in Kordsa's responses to the Consumer Advocate's informal discovery requests, Questions 1-13, 2-13 and 2-16, filed with the Commission on January 11, 2022.

If you have any questions, feel free to call me at 615.252.2363.

Sincerely,

BRADLEY ARANT BOULT CUMMINGS, LLP
