IN RE: Docket No. 21-00094 – *Joint Request of Chattanooga Gas Company and
Kordsa, Inc. for Approval of Special Contract*

Gentlemen:

To assist the Commission in its review of the above *Petition* and evaluation of the negotiated Special Contract filed in this docket on August 24, 2021, please provide the following information:

Chattanooga Gas states in its Petition and the testimony of its witness Ashley Vette that a potential bypass by Kordsa would be uneconomic and detrimental to CGC's other customers. Please provide a copy of the analysis performed by the Company to support this conclusion. The analysis should show a calculation of the estimated incremental cost to serve Kordsa, compared to the overall expected revenue under the Special Contract that would cover the incremental cost plus provide a contribution to common overhead. Please provide this information in Excel spreadsheet format with working formulas.

It is requested that your response be provided no later than 2:00 p.m. on Friday, October 1, 2021. In accordance with Commission rules, submit either (1) original and thirteen written copies of your response or (1) original and four written copies and an electronic version. Should you have any questions or need clarification regarding any requested item, please contact me at (615) 770-6884.

Sincerely,
