RE: Response to Request for Records under Tenn. Code Ann. § 65-4-118
Docket No. 21-00094, *In re Joint Request of Chattanooga Gas
Company and Kordsa, Inc. for Approval of Special Contract*

Dear Ms. Bowen:

I am in receipt of your letter dated December 28, 2021, which requests copies of a hearing transcript and certain expert testimony related to Tennessee Regulatory Authority Docket No. 97-00262. Unfortunately, the Commission does not have the requested documents in its possession. In the past, the TRA/Commission routinely purged documents in accordance with its Records Destruction Authority (RDA). It was not until 2019 that the Commission's RDA permitted retention of its closed docket files permanently.

An electronic copy of this letter is also being sent to opposing counsels of record below in Docket No. 21-00094. Should you have any questions concerning this information, please do not hesitate to contact me.
