This filing proposes the approval of the Company's fictitious name change to d/b/a Lumen Technologies Group. CenturyLink Communications, LLC d/b/a Lumen Technologies Group registered the fictitious name "Lumen Technologies Group" with the Tennessee Secretary of State on September 14, 2020. Notice of Adoption of Assumed Corporate Name was provided to the Tennessee Public Utility Commission via electronic and first class mail dated September 8, 2021.

This filing also adds and updates adoption notice language and the list of service marks, trademarks and trade names which may be used by the Company with permission.

The branding of services provided to customers under the Company's T.R.A. No. 2 and Tennessee Tariff No. 5 will not change and customers to whom services are currently provided are not impacted by the adoption of the Lumen dba. Electronic notice was sent to business customers for whom other services may be branded as "Lumen."
