RE: Docket No: 21-00117 – Notice of the Indirect Transfer of Control of Combined Public Communications, LLC

The agency received a letter on October 14, 2021 that was assigned to TPUC Docket 21-00117. The letter describes a transaction where indirect control of Combined Public Communications, LLC (“CPC”) will be transferred to Combined Public Communications Employee Stock Ownership Trust.

CPC elected market regulation via a letter filed April 22, 2010 that was assigned to TPUC docket number 10-00075. T.C.A. § 65-5-109(n) provides a description of the regulatory requirements that apply to companies that elect Market Regulation. The transaction, as described, is governed by T.C.A. 65-4-113 which is not a regulatory requirement that applies to companies that have elected Market Regulation. As such, the transaction described in the correspondence dated October 14, 2021 does not require approval. As no action is required by the agency, please close the above referenced docket.
