Rowena,

Our Order approved an entire Code so there will be ample numbers in the pool to satisfy the need for 50 numbers. Can you please cancel the request listed (Tracking Number **615-SPRINGFIELD-TN-1555588**)? That should satisfy NANPA and SOMOS and we will use this email for our files.
Please confirm.

Thanks, and have a great weekend,
John

Hi John,

Yes, we can use the same code for the other 50 TNs. Should we use this e-mail and approval letter to acquire 4 blocks? Or will you be sending a revised approval for 4 blocks instead of 3?

Thank you,

Subject: Two Code requests Springfield TN

Hi Rowena,

Tennessee received requests to overturn denials for two codes in the same rate center. One on 10/14/2021 and the second on 10/15/2021. Attached is the Order for the 10/14/2021 and the request we received today. Teleport will use 3,000 numbers in this approved Code, leaving under 7,000 to be returned to pooling.

Is it possible for Teleport to use 50 of these surplus numbers for the 10/15/21 request and cancel this current request we received today?

Thanks for your consideration,
