RE: Docket No: 21-00136 – Network Innovations, Inc. and NI TopCo, Inc. Notification of Proposed Transfer of Control of Network Innovations, Inc. to NI TopCo, Inc.

The agency received a letter on November 16, 2021 that was assigned to TPUC Docket 21-00136. The letter describes a transaction where indirect control of Network Innovations, Inc. (“NI”) will be transferred to NI TopCo, Inc.

NI elected market regulation via a letter filed December 14, 2021 that was assigned to TPUC Docket Number 21-00145. T.C.A. § 65-5-109(n) provides a description of the regulatory requirements that apply to companies that elect Market Regulation. The transaction, as described, is governed by T.C.A. 65-4-113 which is not a regulatory requirement that applies to companies that have elected Market Regulation. As such, the transfer of control described in the correspondence dated November 16, 2021 does not require approval. As no action is required by the agency, please close the above referenced docket.
