Ms. Wightman,

We received the original (and 13 paper copies) of the bond for US Signal Company, LLC. However, as you can see from the attached pdf of the bond, the bond has not been signed by anyone at the Company (Principal) in the lower left of page 1. They also need to print their name and title below their signature. On page 2, under Acknowledgment of Principal, they should have their signature notarized. Would you like me to return the original bond to you for it to be executed by the Company?

Thanks,

Lisa Foust
