Tennessee-American Water Company (“Tennessee-American,” “TAWC” or “Petitioner”) anticipates that the hearing in the above-captioned matter (the “Hearing”) may be set by the Tennessee Public Utility Commission (the “Commission”) for August 8, 2022, at 9:00 A.M. (CST), in Hearing Room G.201 located on the Fourth Floor of the Andrew Jackson State Office Building, 502 Deaderick Street, Nashville, Tennessee 37243.

Tenn. Code Ann. § 4-5-312(c) addresses electronic participation at a hearing as follows:

65194892.v1

opportunity to participate in, to hear, and, if technically feasible, to see the entire proceedings while taking place.

In accordance with the above-referenced statute, Tennessee-American hereby respectfully requests that its witness be allowed to participate in the Hearing telephonically because personal appearance by TAWC's witness, who will be working outside of Middle Tennessee on the date of the Hearing, would be burdensome. TAWC Witness Robert C. Lane has only recently moved into this position and was not previously aware of the August 8, 2022, hearing date.

If this Motion is granted, Tennessee-American agrees that its telephonic appearance and participation in the Hearing will be subject to the following conditions:

1. Petitioner's Tennessee attorney shall appear personally at the Hearing to present and facilitate questioning of Petitioner's witness.
2. Petitioner is solely responsible for, and shall be required to, secure a properly licensed Notary Public in good standing in the State of the jurisdiction where the testimony is to be given, and who will be in the same physical location with the witness while she is providing the testimony or ratifying pre-filed testimony.
3. The Notary Public obtained by Petitioner shall be duly authorized to administer the testimonial oath and shall do so during the Hearing and remain physically present with the witness at all times during the witness' testimony until such witness is excused from examination by the Commission or Hearing Officer.
4. Following conclusion of the Hearing, the Notary Public shall prepare and sign an affidavit, which bears the official seal of the Notary Public, affirming: (1) the proven identity of the witness, (2) the fact that the Notary Public properly administered the testimonial oath to such

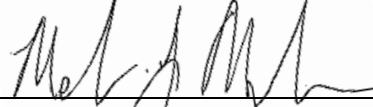

person, and (3) that testimony given by the sworn witness was in accordance with the highest ethical and legal standards, as observed by the Notary Public. In addition, the testifying witness shall sign a conforming Witness Certification in the form attached hereto as Exhibit A¹ or in such format ordered by the Commission or Hearing Officer.

5. The original Witness Certification and Notary Public Affidavit must be post-marked within five (5) days of the Hearing and received by the Hearing Officer via postage-paid U.S. Mail or overnight courier. Should the required affirming documents not be received by the Hearing Officer as required above, the testimony of the witness may be stricken from the record and constitute sufficient cause for denial of the Petition.

Wherefore, based on the foregoing, Tennessee-American Water Company respectfully requests that the Commission enter an Order granting its Motion to Appear and Participate at Hearing Telephonically.

Respectfully submitted this 2nd day of August 2022,

RESPECTFULLY SUBMITTED,

MELVIN J. MALONE (BPR #013874)
