

1st Data Request for 22-00028

To Aqua Green Utility, Inc.

August 22, 2022

22-00028 Thunder Mtn.

Additional information to be provided in this docket

1. Regarding Commission Rule 1220-04-13-.17(2)(a)(7): Please confirm the Map number and parcel ID of the land to be deeded to Aqua Green Utility upon execution of the July 14, 2021 Contract Agreement. The information needed can be retrieved from this web address: https://assessment.cot.tn.gov/RE_Assessment/
2. Regarding Commission Rule 1220-04-13-.17(2)(d)(2): Please file a renewed license for Advanced Septic in this docket filing.
3. Regarding Commission Rule 1220-04-13-.17 (e)(5): The information provided regarding the utility's depreciation schedule is difficult to read. Provide a more legible copy of this information.

Regarding Testimony to be filed

4. Please file pre-filed testimony which at a minimum must address the requirements of Commission Rules 1220-04-13-.17(2)(f)(1-6).
5. Regarding Commission Rule 1220-04-13-.17(2)(e)(6): The Contract price explains the collection system, lift stations, and environmental maintenance are not included in the agreed contract price. In testimony, discuss the source of the estimated value and source of funds for payment of the collection system, lift stations, and environmental maintenance.
6. Regarding Commission Rule 1220-04-13-.17 (e)(7): The contract agreement executed on July 14, 2021, mentions the tax provision for estimated corporate federal income tax which is inclusive of pipe for sewer lines. Since the time of your application, Corporate federal income tax is no longer collected from wastewater utilities via updated legislation.
