CONVENIENCE AND NECESSITY**

DOCKET NO: 22-00028

Petition of Aqua Green Utility Inc. to amend its Certificate of Convenience and Necessity

Aqua Green Utility Inc. would like to add an update to our petition requesting to add Thunder Mountain to our service area. There was a large pipe in the creek that must be crossed in order to start construction on the sewage plant and it needed to be replaced. The developer had the pipe replaced this week so equipment will be moved in to start construction over the next couple of weeks. Construction of this system will begin this month.

Respectfully Submitted,
