To Whom It May Concern:

This notice is being provided to the Tennessee Public Utility Commission ("Commission") regarding an update to the underlying carrier arrangement of TruConnect Communications Inc. ("TruConnect") within its service area. TruConnect was designated as an Eligible Telecommunications Carrier in the State of Tennessee by Order of the Commission dated July 8, 2022, with a designated service area to be statewide in scope (see Order #1, page 4).

At the time of its Petition for Designation as an Eligible Telecommunications Carrier TruConnect's underlying carrier was T-Mobile.
