RE: Docket No: 22-00043 – Notice Regarding Indirect Transfer of Control of GC Pivotal, LLC D/B/A Global Capacity

The agency received a letter on May 5, 2022 that was assigned to TPUC Docket 22-00043. The letter describes a transaction where control of GC Pivotal, LLC d/b/a Global Capacity (“GCP”) will change. GTT Communications, Inc. (“GTT”) is the parent company of GCP. The change of control of GCP results from a Plan of Restructuring under Chapter 11 of the Bankruptcy Code for GTT. The Bankruptcy Court entered an order confirming the Plan of Restructuring for GTT on December 6, 2021.

GCP elected market regulation via a letter filed December 29, 2014 that was assigned to TPUC docket number 14-00168. T.C.A. § 65-5-109(n) provides a description of the regulatory requirements that apply to companies that elect Market Regulation. The transaction, as described, is governed by T.C.A. 65-4-113 which is not a regulatory requirement that applies to companies that have elected Market Regulation. As such, the transaction described in the correspondence dated May 5, 2022 does not require approval. As no action is required by the agency, please close the above referenced docket.
