RE: Docket No: 22-00048 – Notification Regarding the Proposed Assignment of Assets, Including the Certificate of Public Convenience and Necessity, of Georgia Public Web, Inc. to Accelecom

The agency received a letter on June 8, 2022 that was assigned to TPUC Docket 22-00048. The letter describes a transaction where the assets and certificate of convenience and necessity of Georgia Public Web, Inc. ("GPW") will be acquired by Accelecom.

GPW elected market regulation via a letter filed April 20, 2022 that was assigned to TPUC docket number 22-00031. T.C.A. § 65-5-109(n) provides a description of the regulatory requirements that apply to companies that elect Market Regulation. The transaction, as described, is governed by T.C.A. 65-4-113 which is not a regulatory requirement that applies to companies that have elected Market Regulation. As such, the transaction described in the correspondence dated June 8, 2022 does not require approval. As no action is required by the agency, please close the above referenced docket.
