ORDER GRANTING THE PETITION TO INTERVENE FILED BY THE  
CONSUMER ADVOCATE

---

This matter is before the Hearing Officer of the Tennessee Public Utility Commission (“Commission” or “TPUC”) to consider the *Petition to Intervene* filed by the Consumer Advocate Unit in the Financial Division of the Office of the Tennessee Attorney General (“Consumer Advocate”) on August 3, 2022.

**RELEVANT BACKGROUND**

Tennessee-American Water Company (“TAWC”) is a public utility providing residential, commercial, industrial and municipal water service to over 83,000 customers in Chattanooga, Tennessee and surrounding areas. Pursuant to the Stipulation and Capital Riders approved in TPUC Docket No. 13-00130, TAWC filed a *Petition* on July 8, 2022, regarding its qualifiable investment and related expenses for the 2022 calendar year.

**CONSUMER ADVOCATE’S *PETITION TO INTERVENE***

On August 3, 2022, the Consumer Advocate filed a *Petition to Intervene* seeking to intervene

in the docket pursuant to Tenn. Code Ann. § 65-4-118, which qualifies the Consumer Advocate to represent the interests of Tennessee consumers of public utility services in proceedings before the Commission. The Consumer Advocate asserts that “[t]he interests of consumers, including without limitation the proposed increase in rates to be paid by TAWC’s consumers under the Petition, may be affected by determinations and orders made by the Commission with respect to (i) the interpretation, application, and implementation of Tenn. Code Ann. §§ 65-5-103(a), 65-5-103(d), and other relevant statutory and regulatory provisions; and (ii) the review and analysis of the documentation, financial spreadsheets, and materials provided by TAWC.”<sup>1</sup> As such, it seeks to intervene in these proceedings to represent the interests of Tennessee consumers. TAWC did not oppose the Consumer Advocate’s intervention in these proceedings.

## **FINDINGS & CONCLUSIONS**

Tenn. Code Ann. § 4-5-310 establishes the following criteria for granting petitions to intervene:

- (a) The administrative judge or hearing officer shall grant one (1) or more petitions for intervention if:
  - (1) The petition is submitted in writing to the administrative judge or hearing officer, with copies mailed to all parties named in the notice of the hearing, at least seven (7) days before the hearing;
  - (2) The petition states facts demonstrating that the petitioner's legal rights, duties, privileges, immunities or other legal interest may be determined in the proceeding or that the petitioner qualifies as an intervenor under any provision of law; and
  - (3) The administrative judge or hearing officer determines that the interests of justice and the orderly and prompt conduct of the proceedings shall not be impaired by allowing the intervention.
- (b) The agency may grant one (1) or more petitions for intervention at any time, upon determining that the intervention sought is in the interests of justice and shall not impair the orderly and prompt conduct of the proceedings.<sup>2</sup>

<sup>2</sup> Tenn. Code Ann. § 4-5-310.

Although it is not an automatic or absolute right to participate in proceedings before the Commission, Tenn. Code Ann. § 65-4-118(b)(1) provides a general basis for the qualification of the Consumer Advocate to be permitted to intervene as a party to represent the interests of Tennessee public utility consumers. It provides as follows:

The consumer advocate division has the duty and authority to represent the interests of Tennessee consumers of public utilities services. The division may, with the approval of the attorney general and reporter, participate or intervene as a party in any matter or proceeding before the commission or any other administrative, legislative or judicial body and initiate such proceeding, in accordance with the Uniform Administrative Procedures Act, compiled in title 4, chapter 5, and the rules of the commission.<sup>3</sup>

In the instant proceeding, the tariffs filed by TAWC will result in a rate increase for typical residential customers living in the City of Chattanooga using an average of 4,154 gallons per month. Therefore, as TAWC's requests will directly impact the rates and charges paid by its customers, the Hearing Officer finds that there is a sufficient factual basis to find that legal rights or interests held by those consumers may be determined in this proceeding.

Upon due consideration, the Hearing Officer concludes that the legal rights, duties, privileges, immunities or other legal interest of TAWC's customers may be determined in this proceeding. Further, the Hearing Officer finds that the Consumer Advocate qualifies under law as an intervenor for the purpose of representing those consumer interests, there is no objection to its intervention, and its *Petition to Intervene* was timely-filed and should not impair the interests of justice or the orderly and prompt conduct of the proceedings. For these reasons, the Hearing Officer concludes that the Consumer Advocate's *Petition to Intervene* should be granted.
