**RE: *In Re: Petition of Tennessee-American Water Company Regarding the 2022 Investment and Related Expenses Under the Qualified Infrastructure Investment Program Rider, the Economic Development Investment Rider and the Safety and Environmental Compliance Rider, TPUC Docket No. 22-00072***

**and**

***In Re: Tennessee-American Water Company's Response to Commission's Investigation of Impacts of Federal Tax Reform on the Public Utility Revenue Requirements, TPUC Docket No. 18-00039***

Dear Chairman Hilliard:

Consistent with the decisions of the Tennessee Public Utility Commission ("TPUC" or "Commission") in TPUC Docket Nos. 18-00039 and 22-00072, Tennessee-American Water Company ("TAWC" or "Company") will implement an update to the Excess Accumulated Deferred Income Tax ("ADIT") associated with the 2017 Tax Cut and Jobs Act ("TCJA") sur-credit ordered in Docket No. 18-00039 with the new rate to become effective January 1, 2023. This update will reflect the full amortization of the unprotected Excess ADIT.

In Docket No. 18-00039, the Commission ordered that the unprotected Excess ADIT be amortized over three (3) years and that the protected Excess ADIT be amortized using the Average Rate Assumption Method ("ARAM"). The amortization of the unprotected Excess ADIT will be complete on or before December 31, 2022. There remains, however, an adjustment of rates to reflect the continued amortization (normalization) of the protected Excess ADIT. This adjustment results in a reduction of the existing TCJA Excess ADIT adjustment from -4.54 to -0.23%. The calculation of this adjustment is included as **Attachment 1**.

In addition, consistent with the Settlement and Stipulation in TPUC Docket No. 22-00021, approved by the Commission on September 15, 2022, TAWC will also reset to zero,

BUTLER SNOW LLP

from its current level of -2.84%, the authorized reconciliation adjustment. This reset to zero adjustment will likewise become effective January 1, 2023.

Combined these two adjustments will result in a flow-through of the Capital Recovery Rider surcharge from 24.55% to 31.44% or 7.15 percentage points, which is what the surcharge would have been previously absent the unprotected Excess ADIT sur-credit, coupled with the reconciliation. The updated Capital Recovery Rider surcharge will result in an increase in the average customers monthly bill of \$1.12, representing an increase of 4.16%. A revised Tariff Sheet (**Thirty-First Revised Sheet No. 12-Riders-2**) is attached as **Attachment 2**, with an effective date of January 1, 2023.

As set forth above, TAWC will implement the adjustments outlined herein effective January 1, 2023. As required, the original plus four (4) hard copies will be mailed to your office. Should you have any questions concerning this filing, or require additional information, please do not hesitate to contact me.

Very truly yours,

BUTLER SNOW LLP
