Dear Chairman Hilliard,

Enclosed, please find for filing a copy of the final State Operating Permit for the Derby Meadows Subdivision.

The wastewater treatment system is still under construction with a mid-February target date for completion. The remaining documentation required in the Order is not yet available. Those documents will be filed once received by TWSI.

If I can be of further assistance, please contact me at 615-220-7171.

Kind regards,
