To whom it may concern,

We strongly reject this increase.

The fact that Superior Wastewater is arbitrarily proposing a 55% rate increase is absolutely ridiculous, one we strongly disapprove, it is unjustified.

Furthermore, there is absolutely NO transparency when it comes to the Kings Chapel or any entities associated with our community. The unaudited HOA financials provided by the developer are just an example of the lack of transparency and they do nothing to provide any updates on what is going on in our community.

Please feel free to reach out to me if you need additional information.

Sincerely,

Emilio P Jaguande
