Subject: [EXTERNAL] Fee Increase

I am requesting that the fee increase request by Superior Wastewater, LLC which owns the sewer treatment plant at Kings Chapel...be denied. A 50+% increase is not justified and is unreasonable. New homes in our neighborhood have been selling extremely quickly in the past 3 years adding many homeowners who have been paying in to Superior. If the rate increase is to handle the new homes, that should not fall on existing homeowners. Thank-You.

Regards,
Jack
