On November 16, 2022, an Amendment to the Interconnection Agreement (the “Amendment”) negotiated between Bellsouth Telecommunications, LLC d/b/a AT&T Tennessee and Windstream KDL, LLC was filed with the Tennessee Public Utility Commission (the “Commission”).¹ The Amendment was negotiated pursuant to 47 U.S.C. §§ 251 and 252. Upon review, it has been determined that no portion of the Amendment discriminates against a telecommunications carrier that is not a party to the agreement.

To-date no objection to the Amendment has been filed with the Commission. Therefore, in accordance with the Notice and absent any objection having been filed with the Commission, the Amendment is approved effective as of January 8, 2023.
