Description of the *Pro Forma Consolidations*

To simplify the Company's corporate structure, Zayo Group is undertaking certain *pro forma* intra-company transactions, including the consolidation of EL-Parent and Electric Lightwave into Zayo Group. The *Pro Forma Consolidations* are expected to result from the mergers of EL-Parent and Electric Lightwave with and into Zayo Group, whereupon the separate existence of EL-Parent and Electric Lightwave will cease and Zayo Group will be the surviving entity.¹ **Exhibit A** contains diagrams of the corporate ownership structure of the Parties before and after the *Pro Forma Consolidations*.

Upon completion of the *Pro Forma Consolidations*, Zayo Group will establish an "Allstream" division that will continue to operate those portions of the Electric Lightwave business that provide services, primarily traditional voice services, not currently provided by Zayo Group. The Allstream division will utilize the management and operations personnel that currently operate Electric Lightwave. Following completion of the *Pro Forma Consolidations*, an application to cancel the certificate of Electric Lightwave will be filed.

Public Interest Considerations

The Parties submit that the *Pro Forma Consolidations* described herein is in the public interest. The *Pro Forma Consolidations* will simplify the Company's existing corporate structure and the Company's business will be more efficient from a management, operations, regulatory, accounting, financial and customer perspective since the *Pro*

¹ Depending on the timing of regulatory approvals, (1) these mergers may be completed in short succession or separated by weeks or months and (2) prior to the merger of Electric Lightwave with and into Zayo Group, certain assets and customers of Electric Lightwave may be assigned to Zayo Group.

Forma Consolidations will reduce the Company's reporting and accounting burdens and provide other operational efficiencies. As a result of the efficiencies and focus, the Company will become a stronger competitor to the ultimate benefit of consumers.

Furthermore, the *Pro Forma Consolidations* will be seamless to customers and will not result in any change in their services. Zayo Group will utilize the familiar "Allstream" brand with respect to the affected customers that receive services, primarily traditional voice services, not currently provided by Zayo Group. The remaining affected customers will be served under the "Zayo" brand. Regardless, the rates, terms and conditions of their services will not change as a result of the *Pro Forma Consolidations*. A sample of the notice that will be sent to customers of Electric Lightwave regarding the *Pro Forma Consolidations* is provided in **Exhibit B**.

Finally, there will be no change in the managerial qualifications of the telecommunications provider serving the customers affected by the *Pro Forma Consolidations* since the managerial and operations personnel that currently operate Electric Lightwave will continue to operate a portion of the Allstream business as a separate division within Zayo Group and the remaining operations will be overseen by Zayo Group's existing experienced management and operations personnel.
