RE: TPUC Docket No. 23-00008

Dear Ms. Lawless:

As required by the Commission's June 22, 2023 Order Approving 2023 Annual Rate Review Filing as Revised in Rebuttal Testimony in the above-referenced docket, Atmos Energy Corporation hereby submits this letter stating that it will be reinstating its late-payment fees, disconnection fees, reconnection fees, and any other miscellaneous fees as specified in its tariff on July 1, 2023 as opposed to June 1, 2023.

This delay was necessary to provide all customers with advanced notice that these fees would be reinstated, which was not possible prior to June 1, 2023 for the reasons stated in the Company's Notice Regarding Alerting Customers to Resumption of Fees, filed on May 15, 2023. Such advanced notice will be provided to all customers on their monthly bills before July 1, 2023.

Sincerely,

A handwritten signature in blue ink, appearing to read "Erik Lybeck".
