RE: Docket No: 23-00015 – Notice of Indirect Change of Control of Intrado Safety Communications, Inc.

The agency received a letter on February 28, 2023 that was assigned to TPUC Docket 23-00015. The letter describes a transaction where indirect control of Intrado Safety Communications, Inc. (“Intrado Safety”) will be transferred to Guardian US Holdco LLC.

Intrado Safety elected market regulation via a letter filed May 8, 2017 that was assigned to TPUC docket number 17-00037.¹ T.C.A. § 65-5-109(n) provides a description of the regulatory requirements that apply to companies that elect Market Regulation. The transaction, as described, is governed by T.C.A. 65-4-113 which is not a regulatory requirement that applies to companies that have elected Market Regulation. As such, the transaction described in the correspondence dated February 28, 2023 does not require approval. As no action is required by the agency, please close the above referenced docket.

¹ In Docket 17-00037, West Safety Communications Inc. elected market regulation via a letter filed May 8, 2017. On February 13, 2020, via a letter filed in Docket 20-00023, West Safety Communications Inc. notified the agency that it is changing its name to Intrado Safety.
