RE: *Expedited Joint Application of Limestone Water Utility Operating Company, LLC, and DSH & Associates, LLC, for Approval of the Acquisition of and to Operate the Wastewater System of DSH & Associates, LLC, and to Transfer or Issue a Certificate of Public Convenience and Necessity, TPUC Docket No. 23-00016*

Dear Chairman Hilliard:

We are writing to clarify a matter regarding the escrow for commercial customers related to the DSH system. In Paragraph 15 of the Stipulation and Settlement Agreement in the above-captioned docket, the parties outlined Limestone's escrow charge per customer as \$10.24/month. Per the adopted tariffs, however, this \$10.24/month escrow charge only applies to residential customers. Pursuant to the adopted DSH tariff, there is a separate monthly escrow charge applicable to commercial customers. As you know, Limestone is required to charge its tariffed rates. As such, Limestone will charge the applicable tariffed escrow rate to commercial customers, as opposed to only charging residential customers. We have made the Consumer Advocate Division aware of this as well.

Should you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

BUTLER SNOW LLP
