IN RE: *Petition of GO MD USA LLC for Designation as an Eligible
Telecommunications Carrier in the State of Tennessee for the Limited
Purpose of Providing Lifeline Service to Qualifying Customers*

DATE: July 28, 2023

Pursuant to the *Notice of Filing & Pending Docket Closure* issued in this docket on July 7, 2023, GO MD USA LLC was notified that it must provide its responses to the Commission's data request, which have been outstanding since April 2023, by the close of business on July 24, 2023. The data request further informed the company of the legal requirement to secure an attorney and file sworn testimony in support of its petition. As the conditions for keeping the docket open have not been satisfied, this matter is dismissed without prejudice.

Should the company wish to pursue an ETC in the State of Tennessee, a new petition that includes sworn testimony must be filed by an attorney licensed or otherwise authorized to practice law in the State of Tennessee, with the docket filing fee enclosed. The Commission Docket Manager is directed to administratively close this docket without further delay.
