Re: Easton Telecom Services, L.L.C. Notification to Operate Under Market Regulation

Dear Mr. Foster:

Pursuant to TCA §65-5-101 as amended by the Market Regulation Act of 2009, Easton Telecom Services, L.L.C. ("Easton") hereby notifies the Tennessee Public Utility Commission of Easton's election to be subject to market regulation. In light of Easton's election, the Company requests the cancellation of its Tennessee retail competitive local exchange and interexchange tariff, Tennessee R.A. Tariff No. 1 and Tennessee R.A. Tariff No. 2.

Easton was granted local exchange and interexchange operating authority on Docket no. 121995 in June 2002. Easton provides services exclusively to commercial subscribers. Easton has developed a Service Guide and accompanying jurisdiction-specific Price List that sets forth the rates, terms, and conditions of its services, in lieu of its existing retail tariffs. The Service Guide and Price List are posted at the Company's web site, <http://www.eastontel.com/customer-resources>. The Company's subscribers are currently served under commercial service agreements or contracts that establish service rates, terms, and conditions.
