RE: *Limestone Water Utility Operating Company, LLC's Application to Expand its Certificate of Convenience and Necessity to Serve the Nash Ridge Subdivision, Williamson County, Tennessee, TPUC Docket No. 23-00036*

Dear Chairman Jones:

With respect to the Fourth Compliance Report in the above-captioned matter, the Tennessee Department of Environment and Conservation ("TDEC") issued the Draft Modification and Public Notice NDPES Permit No. TN0027278, and it was filed in this matter on October 1, 2025. Thereafter, TDEC noticed Limestone's permit application for public comment. Although the period for public comment was originally scheduled to conclude on or about October 15, 2025, TDEC subsequently extended the public comment period through November 13, 2025. It is anticipated that TDEC may schedule a public hearing early in 2026.

As required, the original and copies will be mailed to your office. Should you have any questions concerning this filing or require additional information, please do not hesitate to contact me.

Very truly yours,

BUTLER SNOW LLP
