RE: *Limestone Water Utility Operating Company, LLC's Application to Expand its Certificate of Convenience and Necessity to Serve the Nash Ridge Subdivision, Williamson County, Tennessee, TPUC Docket No. 23-00036*

Dear Ms. Stachowski:

I am writing in response to your letter dated April 22, 2025. In its July 25, 2024, Initial Report of the Status of Compliance, Limestone Water Utility Operating Company, LLC respectfully submitted to the Commission that a compliance report update every (3) months was no longer warranted and proposed that a Status Report be submitted every six (6) months. The last status report in the above-captioned docket was submitted on January 2, 2025. Limestone anticipates submitting its next status report on July 1, 2025. If directed otherwise by the Commission, Limestone will certainly comply.

Should you have any further questions, please do not hesitate to let me know.

Very truly yours,

BUTLER SNOW LLP
