In Re: Docket No. 23-00037, *Joint Application of Limestone Water Utility Operating Company, LLC, and Integrated Resource Management, Inc. D/B/A/ IRM Utility, Inc. for Approval of the Acquisition of and to Operate the Wastewater System of Integrated Resource Management, Inc. D/B/A IRM Utility, Inc. and to Transfer or Issue a Certificate of Public Convenience and Necessity.*

Dear Mr. Cox:

To assist the Commission in its ongoing investigation into the above referenced docket, it is requested that a response be provided to the following:

On December 5, 2023, Limestone filed a *Clarification of Joint Application of Limestone Water Utility Operating Company, LLC and Integrated Resource Management, Inc. d/b/a IRM Utility, Inc.* On page 2 of that filing, Limestone states, "The purpose of this Clarification of Joint Application is to clarify that Limestone proposes to adopt the rate structure of IRM's existing tariff, except that Limestone does not intend on charging an escrow fee." Limestone also attached a revised tariff referenced as Supplemental Exhibit 31 to reflect the proposed rates.

The revised tariff, however, does not specify whether Limestone proposes to assess the existing IRM sewer access fee of \$160. Please clarify whether Limestone intends to charge the \$160 sewer access fee.

Please provide all responses no later than 2:00 p.m. on Thursday, February 8, 2024. Responses may be submitted electronically at tpuc.docketroom@tn.gov with one hard copy mailed to the

Docket Manager at the Tennessee Public Utility Commission, 502 Deaderick Street, 4th Floor, Nashville, Tennessee 37243.

Please contact me at david.foster@tn.gov or by phone at (615) 770-6884 should you need clarification. Thank you for your attention to this matter.
