**DATE:** **December 8, 2023**

Pursuant to Tenn. Code Ann. § 65-4-201 *et seq.*, notice is hereby given that the *Application of BIF IV Intrepid OPCO, LLC for a Certificate of Convenience and Necessity to Provide Competing Local Exchange and Interexchange Telecommunications Services in the State of Tennessee* has been supplemented through communications with Commission Staff and is deemed to be a completed application as of **December 7, 2023**.

The matter was previously noticed as a completed application by a notice filed on November 27, 2023. Subsequently, Commission Staff inquired whether changes to the reseller application procedures required compliance with the requirement to give notice to Incumbent Local Exchange Companies ("ILEC") in accordance with Tenn. Code Ann. § 65-4-201(c)(1). Upon Commission Staff's determination that compliance with the ILEC notice requirement is mandatory, Commission Staff notified the Applicant that completion of the Application required the notice to ILEC. The Applicant submitted the Certificate of Service to the ILECs on December 7, 2023 which satisfied all requirements to complete the Application.

A hearing in this matter shall be scheduled within sixty (60) days of said date of completion in accordance with Tenn. Code Ann. § 65-4-201(c)(2).
