**RE: DSH & Associates, LLC's Emergency Request - TPUC Rule 1220-04-13-.07(7), TPUC Docket No. 23-00058**

Dear Chairman Hilliard:

As required by your August 10, 2023, approval of DSH & Associates, LLC's ("DSH") emergency request pursuant to TPUC Rule 1220-04-13-.07(7), I am writing on behalf of DSH to submit the final accounting.

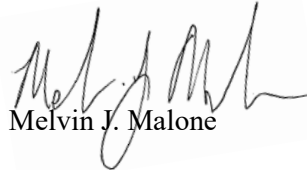

The pump replacement in the booster station that was the subject of DSH's emergency request was repaired between August 14 – 18, 2023, at a cost of \$5,960.00, which is below DSH's estimate of about \$7,000.00.

As shown by the attached invoice, the repair was performed by Big Orange Electric, Inc., which is not an affiliate of DSH. The invoice was paid on August 21, 2023, from the Lakeside Equipment Escrow 1921 (Check No. 7013543). DSH submits this final accounting in compliance with Chairman Hilliard's directives.

As required, the original plus four (4) hard copies will be mailed to your office. If you have any questions or require additional information, please let me know.

Very truly yours,

BUTLER SNOW LLP
