**Re: Tennessee Public Utility Commission, Docket No. 23-00072,**  
*Tennessee American Water Company's Notice of Extension of Service to  
Contiguous Territory to Serve the River Gorge Ranch Development  
Pursuant to Tennessee Public Utility Commission Rule 1220-0-01-.13*

Dear Mr. Malone:

On September 21, 2023, Tennessee American Water Company ("TAWC") filed provided responses to the Commission Staff's Data Request regarding the minimum filing requirements (MFRs) set out in *Tenn. Comp. R. & Regs.* Rule 1220-04-01-.13 (May 2021). Additionally, TAWC filed a letter from Mayor Jason Turner, Mayor of Jasper, stating that the Town of Jasper does not serve and does it intend to service the proposed development.

The Consumer Advocate has reviewed the filing. It appears that TAWC has complied with the MFRs in *Tenn. Comp. R. & Regs.* Rule 1220-04-01-.13 *Tenn. Comp. R. & Regs.* Additionally, the Consumer Advocate did not identify issues of concern during its review of the Petition and will not seek intervention in this Docket. If you have questions regarding this request, please contact me at (615) 741-2357.

Respectfully,
