RE: Status Update - Tennessee Public Utility Commission, Docket No. 23-00073, *Petition of Tennessee Wastewater Systems, Inc. to Amend its Certificate of Convenience and Necessity to Include Wyelea Farms Subdivision in Williamson County, Tennessee*

Dear Chairman Hilliard,

Construction of the wastewater treatment system is complete. TWSI has not yet accepted or commissioned the system. There are presently no lots available to connect to the system. The remaining documentation required in the Order is not yet available. Those documents will be filed once received by TWSI.

If I can be of further assistance, please contact me at 615-220-7171.

Kind regards,

Jeff Ridsen
