DOCKET NO.: 23-00077

DATE: April 23, 2024

On March 5, 2024, the Consumer Advocate Division of the Office of the Tennessee Attorney General (“Consumer Advocate”) contacted the Administrative Judge seeking additional time to file its Second Discovery Requests to Limestone Water Utility Operating Company, LLC (“Limestone”), which were due on March 6, 2024, because of a delay in receiving responses from Limestone to its First Discovery Requests. The Administrative Judge approved a delay in the filing and asked to be kept updated. To date, the Second Discovery Requests have not been filed and two additional deadlines on the *Order Establishing Procedural Schedule* (“Procedural Schedule”) have not been met. The parties in this docket should file, **by April 26, 2024**, an update regarding these proceedings, including, but not limited to, whether a settlement agreement is likely.
