Re: *Consumer Advocate's Petition to Obtain Information from Tennessee-American
Water Company Pertaining to Differing Rates Charged to its Customers Among
its Service Areas*
TPUC Docket No. 24-00003

Dear Ms. Smith-Ashford,

The purpose of this letter is to provide an update on the progress of Tennessee Public Utility Commission ("TPUC") Docket No. 24-00003. Since the opening of the current docket, Tennessee-American Water Company ("TAWC" or the "Company"), the Company has filed a rate case.¹

The Company did respond to the Consumer Advocate's request for information on April 19, 2024. However, in light of the recently filed Rate Case, the Consumer Advocate believes the information will be brought to light in TPUC Docket No. 24-00032 and recommends this current Docket be closed.

We appreciate the opportunity to provide this update and status report. Should you have any questions concerning this filing, or require additional information, please do not hesitate to inform the Parties.

Sincerely,

A handwritten signature in blue ink that reads "Karen H. Stachowski".

Karen H. Stachowski
