**Re: Communications Venture Corporation d/b/a INdigital
Notification of Change in Ownership**

Dear Chairman Hillard:

Communications Venture Corporation dba INdigital "INDigital" holds authorization in Tennessee as a Competitive Local Exchange Carrier (Docket No. 18-00084) and has elected market regulation. INdigital submits this Notice of a Change in Ownership from the original ownership structure included on our applicable certification to INdigital Holdings, Inc.

Our name will remain Communications Venture Corporation dba INdigital and no changes are being made to our management, address, contact information, designated agent nor any changes in services, rates, terms or conditions, etc. as a result. Further, INdigital will remain the operating entity and as a Next Generation 911-only provider, does not have end-users in Tennessee.

Sincerely,

A handwritten signature in blue ink that reads "Mark Grady". The signature is fluid and cursive, with the first name "Mark" and last name "Grady" clearly distinguishable.

Mark Grady, President
