RE: Docket No: 24-00023 – Informational Notification Regarding A Pro Forma Restructuring
Of Missouri Network Alliance, LLC And Illinois Network Alliance, LLC

The agency received a letter on April 18, 2024 that was assigned to TPUC Docket 24-00023. The letter describes a pro forma restructuring of the parent companies of Missouri Network Alliance (“MNA”) and Illinois Network Alliance, LLC (“INA”).

MNA elected market regulation via a letter filed January 13, 2020 that was assigned to TPUC Docket Number 20-00007. INA elected market regulation via a letter filed April 12, 2018 that was assigned to TPUC Docket Number 18-00047. T.C.A. § 65-5-109(n) provides a description of the regulatory requirements that apply to companies that elect Market Regulation. The restructuring transaction, as described, is governed by T.C.A. 65-4-113 which is not a regulatory requirement that applies to companies that have elected Market Regulation. As such, the transaction described in the correspondence dated April 18, 2024 does not require approval. As no action is required by the agency, please close the above referenced docket.
